About Supreme Care

We are a healthcare agency based in Hong Kong that provides nursing and rehabilitation services for the elderly at home.

Elderly prefer to grow old in their own home, where they feel warm and safe.

Supreme Care can provide home care support for your ageing family members to continue their good quality of life and relieve the stress of family members.

Why Choose Us

Privacy Protection

We strictly abide by our privacy policy and keep all client information confidential.

Personalized Care

We are a caring team committed to providing the best quality in home services. Our clients are our priority.

Family Support

We listen to our clients' needs. We provide flexible caring plans to meet the needs of individual families. Families are regularly updated on the progress of our clients.
